omega.radio.club@gmail.com

www.omegaradioclub.org

Estimated cost for provision of radio communications by Omega Radio Club Inc.

Event Name: _____

Date: _____

Radios provided for use by car club personnel

(Usually installed by Omega members in vehicles at organisers request i.e. Zero / Sweep / Recovery/ FIV etc.
and also radio kits to be used by officials in field locations such as SOS points)

No. of Units: _____ @ \$30.00 per unit \$ _____

Field / Control locations: i.e. Radio Operators with equipment

(Usually at Controls, SOS as designated and will look after passing of messages as required between field point and HQ)

Area 1: No. of sites _____ @ \$50.00 each \$ _____

(Area 1; Based on the 4 Day-Touring pages of the Melway directory and includes
Powelltown/Noojee, Rushworth/Heathcote, Marysville/Eildon etc.)

Area 2: No. of sites _____ @ \$60.00 each \$ _____

(Area 2; more distant from Melbourne: ie. Ararat/Avoca, Gippsland and
South Gippsland including Yarram, Sale & Bairnsdale etc.)

Area 3: By negotiation

(Area 3; All other parts of Victoria such as far East Gippsland and far Western Victoria)

Rally Base: Area 1 @ \$200 or Area 2 @ \$250 \$ _____

(Usually HQ operators supply/install radios, as well as setting up and manning of HQ radio throughout the event)

Repeater Sites:

First Site: Area 1 @ \$200 or Area 2 @ \$250

Extra sites: Area 1 @ \$180 or Area 2 @ \$200 \$ _____

The number of repeater sites is determined by Omega personnel during pre-event testing. Usually one is required per event however this is fully dependent on event area and Check point / Control geographic locations. Omega organisers will discuss this with you during the planning process.

Estimated Total Cost \$ _____

Important Note:

Omega members perform field testing of event locations prior to most events. If an event is cancelled once field testing has commenced a **cancellation fee of \$ _____ will apply.**

This has become necessary to assist members and the club offset higher costs incurred in planning and field testing.
